Killed in Wreck.

In a wreck on the C. & O. road near Ashland last week, a boy had both legs cut off, from the effects of which he died in a short time. He refused to tell his name or home, but as the body was being prepared for burial someone remembered that his name was Andes and that he had relatives at London. These were communicated with and it was found that he was Roy Andes, son of George Andes, of Winchester. Mr. Andes left Friday morning to bring the body home for burial.

Where Bullets Flew.

David Parker, of Fayette, N. Y., a veteran of the civil war, who lost a foot at Gettysburg, says: "The good Electric Bitters have done me more than five hundred dollars to me. I now take them as a tonic, and they keep me strong and well." 50c at Oberdorfer's drug store.

Beware of Frequent Colds.

A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever wholly recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended. Mrs. M. White, of Butler, Tenn., says: "Several years ago I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. Now my throat and lungs are sound and well." For sale by W. T. Brooks. You need no other guarantee. dec

Pat Crowe an Evangelist.

Pat Crowe, whose former lawless career came to a climax in the kidnapping of Eddie Cudahy, made his debut Friday night as an evangelist before an audience in Evanston, Ill. The meeting was held under the auspices of the W. C. T. U. Prison Reform League. Crowe grew eloquent in a plea to citizens to aid in prison reform and stop the manufacture of criminals in reform schools and penitentiaries. As he spoke, a baby's voice in the rear of the hall frequently interrupted him. "That's my baby making that noise," Crowe explained. "I hope I can live to give it a good education and make of it a good citizen."

"Bluegrass Routes."

We are closely watching the returns from the operation of the Interurban Train Service, with the idea of ascertaining the trains which are most popular with our patrons. As a result of this scrutiny and the falling off in travel, incident to the Winter season, we will put into service at 7 a. m., December 15th, our Winter schedule. There are not many changes in the schedule over that now in use. Briefly they are these:

The car leaving Lexington at 6 a. m. for Versailles and Frankfort will be taken off. A car, however, will leave Versailles at 6:45 a. m. for Frankfort, as usual.

The car leaving Versailles at 6:15 a. m. for Lexington will be taken off.

The car leaving Lexington at 8 p. m. for Paris, and the car leaving Paris at 9 p. m. on Saturday nights, will be taken off.

The car now leaving Lexington at 8 p. m. for Versailles and Frankfort and the car leaving Frankfort at 9:30 p. m. for Versailles and Lexington, will be taken off.

To take the place of the Lexington-Frankfort car to be taken off, we have provided a new service, in that a car will leave Lexington at 9 p. m. for Versailles and Frankfort, and a car will leave Frankfort at 10:30 p. m. for Versailles and Lexington.

The result of the new service will be a greater evenness of schedule and a closer connection from one Interurban line to another, particularly in the evening hours at Lexington, in that cars will leave for Georgetown, Paris and Versailles at 7, 9 and 11.

Time cards, or folders, will be ready for delivery at our offices and at the Center, at Lexington, on and after December 15, 1908.
